### How to Replace a House Ocean Bill Lading

The screenshot displays the 'Bill of Lading' interface with a red header bar. The breadcrumb trail reads: 'Bill of Lading > Shipping Agent > House Bill of Lading > Inward K4 > replace'. The interface is organized into several sections, each with a dropdown arrow:

- Carrier Information
- Bill of Lading Information
- Shipment Information
- Shipping Agent Information
- Consignee Information
- Consignor Information
- Notify Party Information
- Freight Forwarder Information
- Change Remarks
- Container
- Cargo
- Summary

The 'Change Remarks' section is expanded, showing a text input field with the value 'Replace cargo1' highlighted in yellow. A red callout box with the text '8. Key in the change remarks here' and a red arrow points to this field. Below the 'Change Remarks' section, the 'Summary' section is visible, containing the following fields:

Total Measurement	800	MTQ	Total Gross Weight	800	KGM
Total No. of Packages	300		Type of Packages		
Total No. of Container	3			3	

A red callout box with the text '9. Click on Save for next action' and a red arrow points to the 'Save' button at the bottom of the interface. The 'Save' button is blue with a white document icon, and the 'Back' button is grey with a white arrow icon.
