Section 1. Introduction

1.1. What is ePermit System?

ePermit is a web-based applications system developed, hosted and managed by Dagang Net Technologies Sdn Bhd (DNT) and provides an Application Service provider (ASP) model of service to communities of Permit Issuing Agencies (PIA) and Importer/ Exporter to apply and manage permit application online.

By using the application, the Importer/ Exporter will be able to supply and manage permit via online and next to track the application progress subsequently. Whilst, the OGA will be able to view and process (approval etc) permit applications submitted directly from the system.

1.2. How does ePermit System Benefit Me?

- Reduces Turnaround time – faster processing of permit
- It's convenient – ePermit is accessible from any computer that is connected to the internet.
- Ease of Use – user friendly even for non-PC savvy
- Multi Tasking – access to various value-added services. For example, Tariff Codes, Location Codes.

1.3. Who Should Read This Publication?

This user manual is designed to accommodate the specific requirements of each user. This publication (or topic collection) is intended for:

- i. Trader
- ii. Forwarding Agent

1.4. About This Document

This publication is to provide an overview on how Traders/ FA can create and view applications and deeper understand on the system with step by step helps.

1.5. Support Information

Should there be any issues arising from the use of the system, please contact Dagang Net's Careline.

Call our CARELINE at **1300 133 133**

Section 6. Copy Application

This section shows the steps to copy an application. This function allows users to save times and work faster with the existing data from previous application.

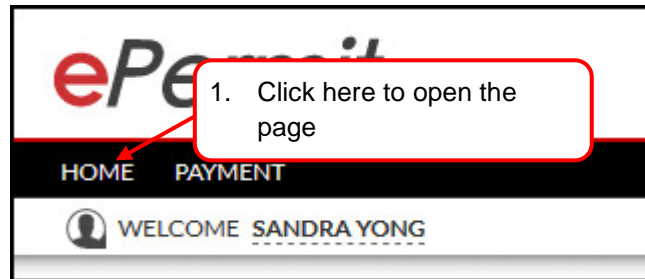

Figure 56

The screenshot shows the 'OGA LISTING' page. At the top, there is a search form with the following fields: Application ID, Permit No., Application Date (From), Application Date (To), Approval Date (From), Approval Date (To), Permit Type (Please Select), Status (Please Select), and Trader Reference No. There are 'SEARCH' and 'RESET' buttons below the search form. A red box highlights the search form with the instruction '2. Search for the previous application to copy as required'. Below the search form, there is a 'Listing' section with a table. The table has columns: No., Application ID, Permit Type, Application Date, Approval Date, Status, Permit No., Recipient, and Trader Reference No. There are 'NEW', 'COPY', and 'DELETE' buttons above the table. The table contains one row with the following data: No., Application ID, Permit Type, Application Date (10/12/2019), Approval Date, Status, Permit No., Recipient (JABATAN), and Trader Reference No.
