## Section 1. Introduction

SPB (Bahagian Industri Padi Dan Beras) been authorized to issue import, export and transshipment permit using ePermit platform system that has been provided by Dagang Net Technologies as the Permit Issuing Agencies (PIA). The platform boasts smooth gateway integration to Customs' Sistem Maklumat Kastam (SMK), enabling speedier and reliable processing for the benefit of customers of the agencies contributing to the national agenda and economy.

### 1.1. What is ePermit System?

ePermit is a web-based applications system developed, hosted and managed by Dagang Net Technologies Sdn Bhd (DNT) and provides an Application Service provider (ASP) model of service to communities of Permit Issuing Agencies (PIA) and Importer/ Exporter to apply and manage permit application online.

By using the application, the Importer/ Exporter will be able to supply and manage permit via online and next to track the application progress subsequently. Whilst the OGA will be able to view and process (approval etc) permit applications submitted directly from the system.

### 1.2. How does ePermit System Benefit Me?

- Reduces Turnaround time – faster processing of permit
- It's convenient – ePermit is accessible from any computer that is connected to the internet.
- Ease of Use – user friendly even for non-PC savvy
- Multi Tasking – access to various value-added services. For example, Tariff Codes, Location Codes.

### 1.3. Who Should Read This Publication?

This user manual is designed to accommodate the specific requirements of each user. This publication (or topic collection) is intended for.

- i. Traders
- ii. Forwarding Agents

### 1.4. About This Document

This publication is to provide an overview on how Traders/ FA can apply import/export permit, make payment, and print permit via this system and deeper understand on the system with step by step helps.

## 1.5. Support Information

Should there be any issues arising from the use of the system, please contact Dagang Net's Careline.
