Some of the screens in the system use the pop-up window function. Ensure that all pop-blockers are disabled in the Internet Explorer before system login.

Go to TOOLS and select POP-UP BLOCKER click TURN-OFF POP-UP BLOCKER

This system uses the pop-up window function. Ensure that all pop-blockers are disabled in your Internet Explorer before system login to enable new pop-up window in your screen.

Yahoo Popup Blocker	<u>^</u>		

Most toolbar such as Google and Yahoo came with pre-setting pop-up block. Ensure to turn it off since it is overwrite the IE setting for pop-up blocker.
