

Electronic Manifest System

Date
Presented by

National Single Window – Core Services

Manifest™

A web-based shipping community system to facilitate submission of **manifest** from the port users to the respective authorities.

Declare™

A web-based Customs declaration service that facilitates the preparation and submission of **trade declarations** via the Internet.

PCO™

A web-based **certificate of origin** application and approval system that **certifies the country of origin** of a particular product.

6 Core Services

Payment™

A web-based duty payment service that enables preparation and submission of **duty payment** to Customs.

Permit™ STA

A web-based permit application for **Strategic Trade Act 2010** (STA 2010) that enables **application and approval of pre-registration and permits** under the purview of the STA 2010.

Permit™

A web-based import / export **permit applications** system to relevant Permit Issuing Agencies

eManifest Training Agenda

A hand with a red tattoo on the index finger points down towards a red 'e' logo on a blue digital background. The background features a grid of hexagons and a glowing effect around the 'e' logo.
